

EXP ODYSSEY

MAY 1-3, 2019 • ATLANTA, GA USA

Cobb Galleria Convention Center

*Thousands of your potential customers—
hard-to-reach diecutters, diemakers, foil stampers and
embossers—are converging in Atlanta ...*

**IF YOU DON'T MAKE
THE TRIP, HOW WILL
THEY FIND YOU?**

ODYSSEY EXPO IS A UNIQUE, INDUSTRY-SPECIFIC VENUE

Odyssey Expo 2019 will combine problem solving for a wide array of hard-to-cut materials with advancements in converting, folding cartons and corrugated and key developments in foil stamping, embossing and bindery. Creative educational sessions go beyond mere theory and talking heads seen at other seminars. Participants are seated inside a fully operational *Techshop*,™ where show-and-tell clinics are enhanced by **hands-on** diemaking, diecutting, foil stamping/embossing and specialty effects demonstrations using the latest high-tech equipment. The *Odyssey Expo* is the only industry-specific trade show to offer:

- 38% of attendees are the president, vice president or owner
- 39% are managers, engineers and machine specialists
- 22% are press operators and diemakers
- 1 out of 2.4 attendees is responsible for making capital equipment purchases
- 1 out of 2 are major decision makers in their companies
- 87% come to learn about new technology; 79% for products and services; 44% to make purchasing decisions; 23% for price quotes
- 61% attend because of the unique real-time educational programs in the *Techshop*™

DON'T MISS THIS OPPORTUNITY

**Your potential customers will be here ...
you should be too!**

WHAT ATTENDEES SAY ABOUT ODYSSEY EXPO

If the attendees are happy, everyone is happy:

- “New ideas, new technology, new products—I found everything I need in the industry in one place.”
- “All programs, *Techshop*™ and vendors were so focused on our industry. The atmosphere was great—everyone seemed to be there to help. I had a great experience.”
- “I’ve attended other trade shows, and this was much more organized and beneficial.”
- “I networked with technology vendors as well as material/supply vendors.”
- “The ability to compare machinery alternatives will help me greatly in my buying decisions.”
- “Being able to compare vendors and products on the spot was most rewarding.”
- “Seeing various machines running and discussing solutions to problems one-on-one was priceless.”

ATLANTA IS THE IDEAL LOCATION

Cobb Galleria Centre is a **non-union** facility located in Northwest Atlanta, less than a one-day drive for 72 million people! Nestled among **many diecutting and diemaking hotbeds** close by, the right-to-choose facility provides exhibitors with the flexibility to transport and set up your booths without excessive or costly union intervention. It also provides great local dining and entertainment within 5 minutes, is only 10 minutes from downtown Atlanta and from the city’s fashionable Buckhead community and 20 minutes from Hartsfield-Jackson Atlanta International Airport. Attendees will love that they are within striking distance of many Atlanta destinations, from world-class museums and sports venues to popular entertainment spots and fascinating historic landmarks. Cobb Galleria connects directly to the 522-room, four-star, four-diamond Renaissance Atlanta Waverly Hotel. Shopping and dining variety are as convenient as the Cobb’s on-site specialty mall; Cumberland Mall, directly across the street and accessible by a pedestrian bridge; and The Battery Atlanta, connected via pedestrian bridge.

YOUR COMPETITORS WILL BE THERE

Here’s what past exhibitors had to say:

- “I am now known in different parts of the world as a technology leader.”
- “The **quality of attendees** was the most rewarding aspect.”
- “We appreciated the opportunity to meet and network with so many decision makers in the industry.”
- “Visitors’ response to our product was sensational.”
- “We made **excellent contacts** at the Odyssey Expo.”
- “Odyssey is so much more than a trade show.”
- “We found a whole new market for our product.”
- “If we had known the Odyssey would be this good, we wouldn’t have exhibited at [a well-known annual trade show].”

EXHIBIT BOOTHS

Present your products and services in one (or several) of the 160+ exhibit booths. The main exhibit hall, with an expansive 72,000 square feet of space, will provide ample room for the exhibit booths and the operational diecutting, diemaking, foil and special effects *Techshop*.™ The *Odyssey Expo* will provide exhibitors an excellent opportunity to market to targeted, dedicated and focused individuals involved in all phases of diecutting, diemaking, foiling, embossing and bindery. Each booth space is 10 feet deep by 10 feet wide (3m x 3m), 100 square feet (9 square meters). Each exhibit booth will include the rental space, 8 feet (2.4 m) high draped backdrop, 3 feet (.9m) side rails and draping and a company sign which is 7 inches x 44 inches (177mm x 1,117mm) including the company name and booth number.

ALWAYS IN DEMAND - YOUR EQUIPMENT IN THE TECHSHOP™

Odyssey Expo offers IADD and FSEA members an alternative choice to showcase your equipment in the Techshop,™ rather than your company booth(s). Companies who have purchased at least one standard booth space also may rent space in the Techshop for equipment placement. Exhibitors are responsible for all associated costs, such as drayage, installation, waste disposal, electrical, air and other operating and maintenance expenses. Access to equipment will be ample, but will be regulated by *Odyssey Expo*. This offer is available only to IADD and FSEA members. Additional rules and regulations may apply. Since space is limited, *Odyssey Expo* reserves the right to approve or decline space applications.

A VARIETY OF CUSTOMER OPPORTUNITIES

With the strong partnership forged between the International Association of Diecutting and Diemaking and the Foil and Specialty Effects Association, the *Odyssey Expo* appeals to a wide segment of the diecutting converting, foil stamping and special effects markets. One set of programs will focus on cutting materials such as gaskets, plastics, films, magnetics, abrasives, pressure sensitive and paper, including thick and hard materials. Another two sets of programs will cover cutting edge topics in the traditional folding carton and corrugated areas, which are a sure draw for these segments of the industry. Additional programs will address foil stamping and embossing, other specialty effects, hard anvil rotary, into versus onto cutting, alternative methods of cutting and trimming, heat assisted diecutting, and more. Marketing for the *Odyssey Expo* will reflect this expanded scope and will reach out to new attendees who are your potential new customers.

HOW TO RESERVE BOOTH OR TECHSHOP™ SPACE

Complete the attached Space Application form. Visit the *Odyssey* website at www.OdysseyExpo.org for more information and Exhibitor Rules & Regulations. You will receive confirmation of booth and Techshop assignments once the space has been accepted in accordance with the Exhibitor Rules & Regulations. Initial space deposits are due within 7 days of application. All exhibitors will receive copies of the *Odyssey Expo* Exhibitor Newsletters to keep them informed of the latest developments in substantive programming, marketing plans, *Techshop*, exhibit hall operations, etc.

Cost of Exhibit Space

IADD and FSEA members	US \$2,660 per booth or 10 x 10 ft (3m x 3m) Techshop™ space
<i>Early bird special (before 9/1/18)</i>	US \$2,360 per booth or 10 x 10 ft (3m x 3m) Techshop™ space
Non-member companies	US \$3,800 per booth space
<i>Early bird special (before 9/1/18)</i>	US \$3,300 per booth space
Premium Locations	There is an additional US \$200 charge for premium booth locations, designated by shading on the Technology Hall layout.

For more information on exhibiting at the Odyssey Expo 2019, contact:

Susan M. Corcoran; Exhibit Coordinator; Odyssey Expo; 20 Winter St., Kingston, MA 02364 U.S.A.; Phone: 1-617-840-7202; Fax: 1-781-582-3944; Email: exhibit@odysseyexpo.org; Website: www.odysseyexpo.org

US \$2,860 per space for IADD & FSEA members *Early Bird - US \$2,360 before 9/1/18*

Please reserve _____ 10 x 10 feet Techshop spaces (3m x 3m). List equipment type and footprint on a separate page.

Authorized Signature:

Sign and return this application form with an initial **\$1,000 deposit** for members (\$1,500 for non-members) for each booth or Techshop™ space reserved. Requested space is on hold for 7 working days pending the arrival of the deposit. Deposits are non-refundable. Final payment for all space is due January 15, 2019. If the balance due is not received by that date, the IADD/FSEA has sole discretion to reassign the space with no refund to the original exhibitor. Applications received after January 15, 2019 must be accompanied by payment in full. Make checks payable to the IADD or complete credit card section. Signing this Space Application Form signifies that the signer has read and understands the published Rules & Regulations for the Odyssey Expo 2019.

Complete this section to charge your space deposit. **Note:** A 2.45% surcharge will be added to partially offset expenses incurred by Odyssey for discount fees, reward card fees and other credit card processing fees.

Foil and Specialty Effects Association's
ODYSSEY EXPO 2019
EXHIBITOR RULES & REGULATIONS**

**SPONSORSHIP
AND MANAGEMENT**

Odyssey Expo 2019 is an educational program produced by the International Association of Diecutting and Diemaking (IADD) and the Foil and Specialty Effects Association (FSEA). The IADD serves as Show Management, but has contracted with Susan Corcoran to serve as Exhibit Coordinator to handle all matters concerning exhibits in the Technology Hall. The IADD/FSEA will establish all exhibitor policies for the Odyssey Expo.

All matters not covered by these regulations or the Cobb Galleria Centre Production Guidelines are subject to a decision by the IADD/FSEA and the Exhibit Coordinator.

These regulations may be amended at any time by the IADD/FSEA, and all amendments that may be so made shall be equally binding to all parties affected by them, as are the original regulations. IADD/FSEA authorizes its Exhibit Coordinator to implement and manage all elements covered in this document in its name.

ELIGIBILITY FOR PARTICIPATION

IADD/FSEA determines the eligibility of a company or product for exhibition in the program. Until an exhibitor's Booth and Techshop™ Space Application has been approved in writing by the Exhibit Coordinator, no rights to exhibit are granted.

Upon submitting a Booth and Techshop™ Space Application, the company requesting exhibit space certifies that they have read and will comply with the written rules and regulations as described in this document. The IADD/FSEA may prohibit installation or request removal, wholly or in part, that in its opinion is not in keeping with the Associations' character or purpose.

PAYMENT SCHEDULE

An initial deposit of \$1,000.00 US for IADD or FSEA member companies (\$1,500.00 for non-members) for each requested booth or Techshop™ space must

either accompany the Space Application form or the Exhibit Coordinator will place requested booth spaces on hold for 7 working days pending the arrival of the deposit for the requested booth space(s). Deposits are non-refundable. Final payment for all booth and Techshop™ space is due January 15, 2019. If the balance due is not received by that date, the IADD/FSEA has sole discretion to reassign the space to applicants on the waiting list with no refund to the original exhibitor. Applications received after January 15, 2019 must be accompanied by payment in full.

All checks for payments of space must be made out to the International Association of Diecutting & Diemaking (IADD) and will be sent to: Odyssey Expo, 651 Terra Cotta Ave., Suite 132, Crystal Lake, IL 60014 U.S.A. There will be a \$50.00 charge assessed on all returned checks.

**ASSIGNMENT OF BOOTH &
TECHSHOP™ SPACE**

Booths will be assigned according to a point system which rewards support of previous shows and IADD or FSEA membership (see exhibitor newsletter Vol. 2019-1), with previous exhibitors and IADD/FSEA member companies receiving priority. The IADD/FSEA reserves the right to modify the floor plan to accommodate space sales or make changes as necessary to avoid potential conflicts between competing exhibitors. Should conditions dictate, the IADD/FSEA reserves the right to relocate exhibitors as necessary after consultation with the affected exhibitors.

SHOW DATES AND HALL HOURS

Wednesday	May 1, 2019	10:00 am - 5:00 pm
Thursday	May 2, 2019	10:00 am - 5:00 pm
Friday	May 3, 2019	10:00 am - 2:30 pm

INSTALLATION/DISMANTLING

Exhibitors shall move into the Exhibit Hall to set up booths 8:00 am to 4:30 pm on Sunday, April 28 (heavy machinery by invite only), Monday, April 29 (remaining heavy machinery) and Tuesday, April 30 (displays). Exhibitors will receive and follow a set-up/tear down schedule. All exhibits must be fully installed by 7:30 am

on Wednesday, May 1. After that time, no installation work will be allowed without permission by the Exhibit Coordinator. If any exhibitor is not set up and in order by 7:30 am, the IADD/FSEA reserves the right to direct the official service contractor to set up the booth at the sole expense of the exhibitor, or make such other use of the space as deemed necessary or appropriate, with no refund made to the original exhibitor.

Arrangement and payment for transporting goods to and from the Odyssey Expo, receiving, decorating and removal of exhibits are the responsibility of the exhibitor.

No exhibit shall be dismantled before the official closing of the Exhibit Hall at 2:30 pm on Friday, May 3, and NO PACKING of equipment and materials may begin until that time unless specially authorized by the Exhibit Coordinator. Violators may be subject to reduction of some or all of their exhibitor points accrued to date and/or be subject to loss of their right to participate in future Odyssey Expo events. All attempts will be made to caution exhibitors on site to return to compliance. Emails will be sent post-show informing exhibitors of their penalty.

All exhibits must be removed from the site by 4:00 pm on Saturday, May 4. Exhibitors shall be liable for all storage and handling charges resulting from failure to remove their exhibit materials from the convention center before the end of dismantling as specified by the Show Management.

STANDARD BOOTH EQUIPMENT

Each 10 feet deep by 10 feet (3 meters x 3 meters) wide standard booth space includes an 8 feet (2.4 meters) high backdrape and 3 feet (9 meters) high side rails with draping. A company identification sign measuring 7 inches x 44 inches (177mm x 1,117mm) including the company name and booth number will be provided. 24-hour perimeter security will begin with set-up and conclude after all freight has been removed. The aisles will be carpeted; all exhibitors are responsible for carpeting or providing flooring for their booths.

BOOTH CONSTRUCTION AND DISPLAY ARRANGEMENT

A **standard/linear booth** (also called an “in-line booth”) is any booth that shares a common back wall and adjoins other exhibits on one or two sides. The size is 10 feet deep by 10 feet wide (3 meters x 3 meters) (100 square feet (9 square meters)). Standard in-line booths may not exceed a backwall height of 8 feet (2.4 meters), and no part of the equipment contained therein may exceed a height of 8 feet (2.4 meters) in the back half of the booth and 4 feet (1.2 meters) in the front half of the booth. Every attempt should be made to display items in the booth to allow visibility for neighboring booths.

Exceptions are at the discretion of Show Management. Exhibitor must leave room for back pipe and drape to be shared between its booth and the booth behind it. Booth should not be set so that the plate for the pipe and drape is completely in a neighboring booth. All exposed parts of the display must be finished so as not to be objectionable to neighboring exhibitors. Hanging signs/graphics and/or ceilings or canopies are NOT permitted over standard/linear booths.

Perimeter booths are standard/linear booths that back to an outside wall of the exhibit facility rather than to another exhibit. The same regulations apply to these booths as to the standard/linear booths (see above).

End cap booths are standard/linear booths located on either end of a row of standard/linear booths. Unless an exception is made by Show Management, the entrance of such booths must face in the same direction as the others in the row. The same regulations apply to these

booths as to the standard/linear booths (see above).

Special exception: If a rare exception is made and exhibitors are allowed to “turn” such booths 90 degrees, note in the diagram below how the same regulations are applied.

Island booths are any exhibit 20 feet x 20 feet (6 meters x 6 meters) or larger which is surrounded by aisles on four sides. The maximum height of an island booth is 15 feet (4.572 meters) in all areas of the booth; however, structures rising above the area of the booth between 8 feet and 15 feet (2.4 meters and 4.572 meters) must allow at least 50% (see-through) visibility (e.g., a solid wall would not be allowed in this area but solid posts that allow visibility in between would be allowed). Exceptions are at the discretion of Show Management.

A sketch of island booths should be submitted to the Exhibit Coordinator at least 60 days prior to the show for approval of design. If not submitted, and the construction is determined to be in violation of the above restrictions or detrimental to other exhibits, the IADD/FSEA reserves the right to prohibit assembly, or direct revisions, at the exhibitor’s expense, to comply with these regulations. Hanging signs, ceilings and/or canopies are permitted over island booths as long as they conform to the above regulations.

Miscellaneous. Cylinders containing oxygen, compressed air or other gases must be secured by a strap, stand or cart in an upright position to prevent tipping.

HANGING SIGNS & GRAPHICS

Hanging signs are permitted in island booths with dimensions of 20 feet x 20 feet (6 meters x 6 meters) or larger. Hanging signs are NOT permitted in standard/linear booths, the Techshop or to be displayed over booths other than your own. At the discretion of Show Management, hanging signs may be allowed over common areas (e.g., the concession stand or entryway). No lighting or spotlighting of hanging signs is allowed.

All sides of hanging signs and graphics must be covered or finished in such a manner as not to detract from those booths behind it. All hanging signs and graphics, regardless of size, should be constructed of lightweight, flameproof materials.

Certain physical limitations of the exhibit facility may prohibit hanging signs. The maximum allowable height of hanging signs is also dependent on the ceiling load limits.

Exhibitors are responsible for notifying Show Management if they are planning on hanging signs in their exhibit booth design. Exhibitors must send this written notification within 60 days of the show. If written notification is not received, Show Management cannot guarantee the hanging of the sign or graphic. All overhead hanging signs must be assembled, installed, removed and disassembled by Official Exhibit Service Provider exhibit services. Exhibitors, display companies and/or I&D representatives may supervise their respective rigging activities, but will not be allowed to assemble/disassemble or install/remove rigging. All rigging must conform to show rules, regulations and exhibit facility limitations. Hanging anchor points must be pre-fabricated and ready to use. No hang point may support over 250 pounds. Exhibitor is responsible for providing Official Exhibit Service Provider with a placement diagram of the hanging sign including the number of feet from each side of the exhibit space that the sign is to be placed. The ceiling structure and relations to the support beams may require exhibitor’s sign to be moved from the requested location. Exhibitor is also responsible for providing Official Exhibit

Service Provider with the type of sign (cloth, metal, wood, other), shape (square, triangle, rectangle, other), size (height, length, width) and weight.

Overhead hanging signs are to be sent in separate containers directly to the Official Exhibit Service Provider. All containers must arrive no later than one week prior to the first exhibitor move-in day.

All hanging signs are subject to Show Management inspection and may require on-site modification.

Any **booth signage** extending higher than the external booth wall and visible to those viewing booths in the aisles behind it must remain stationary (no rotating signs), with the rear of the sign covered and/or finished in such a manner as not to detract from those booths behind it. All materials must be contained within the contracted booth space.

Exhibitors in the Techshop are allowed one stationary sign or monitor per machine. **Techshop signs or monitors** may not exceed 8 feet high x 4 feet wide (2.4 meters x 1.2 meters). Signs may be lighted or use electricity.

Permanent facility graphics, signs or displays may not be blocked in any manner.

LIGHTING OF MACHINERY IN BOOTHS AND TECHSHOP

Exhibitors are precluded from hanging (or making arrangements to hang) lighting from ceiling trusses over booths and Techshop space.

CANCELLATION/REDUCTION/RELOCATION OF SPACE

Notification of space cancellation or reduction must be made in writing to the Show Management Company. Deposits paid for assigned spaces are non-refundable. There are no refunds for cancellations or reductions received after November 1, 2018. The IADD/FSEA assumes no responsibility for having included the name of the cancelled exhibitor or description of their products in program materials. Exhibitors who request booth relocation after January 15, 2019 will incur a \$200 service fee per booth affected.

MATERIAL HANDLING AND EXHIBITOR SERVICES

IADD/FSEA will announce an Official Exhibition Services Contractor. A link to the Exhibitor Service Kit containing information and order forms for furnishings, freight handling, labor, and ancillary services will be sent to exhibitors 120 days prior to the start of the program.

A number of factors—such as truck size, dock limitations or the height, weight and overall size of **heavy equipment and machinery**—will determine whether unloading can be handled on the dock versus through the large “elephant door” at ground level. Exhibitors will be directed to the appropriate area. In many cases, use of a Versa Lift is preferred to a regular forklift in order to provide greater accuracy and stability. The Exhibition Services Contractor will make all attempts to give those who require this service a quote prior to the show; however, they reserve the right to make such a determination on-site, depending on the circumstances.

SUBLETTING SPACE

Exhibitors may not assign, sublet, or apportion any part of the space allotted to them and may not advertise or display goods or services other than those manufactured or sold by them in the regular course of their business.

USE OF SPACE

Exhibitors are encouraged to offer information that is educational, professional and instructional. All exhibitors must conduct exhibits in a dignified and professional manner. All activities must be limited to the confines of the rented space, and must not impede traffic or interfere with the activity of other exhibitors. Unless part of the Odyssey Expo program and approved by the IADD/FSEA, publicizing and/or maintaining any extraneous activities, including hospitality suites, inducements, demonstrations or displays away from the exhibit area during exhibit hours or program hours is not permitted. Dissemination of food or beverages is allowed only if they are purchased from the convention center and may be subject to additional rules and regulations.

EXHIBITOR BADGES

Exhibitors will be furnished with two exhibitor badges for company personnel for each 10 x 10 feet (3 m x 3 m) booth or Techshop space leased/paid. Additional exhibitor booth personnel are required to register as Exhibitor Personnel at the reduced registration fee of \$250.00 per person. This registration allows the individual to attend all education sessions. Other events (such as the BASH!) will be ticketed separately.

STAFFING

Exhibitors must open their exhibit on time and staff the booth at all times during show hours. A designated booth manager shall represent the exhibitor in connection with set-up, operation, and dismantling of the exhibit. Only representatives who are employed by the exhibiting company and who are working in the booth are to be registered as booth personnel. False certification of individuals as exhibitor's representatives, sharing of exhibitor's badges, or any other method used to assist unauthorized persons to gain admission to the exhibit floor will be just cause for expelling the violator from the program. All exhibitors must be 18 years of age or older.

ADVERTISING

Exhibitors are invited to advertise in the Odyssey Expo Show Guide, the IADD's publication “The Cutting Edge,” or the FSEA's publication “PostPress News.” Information on rates, mechanical specifications and copy deadline may be obtained from the IADD by phoning 1-815-455-7519, by faxing 1-815-455-7510 or by email at ccrouse@iadd.org. Information may be obtained from the FSEA at 1-785-271-5816, faxing 1-785-271-6404 or by email at jeff@fsea.com.

USE OF ODYSSEY EXPO LOGO

Exhibitors wishing to use the Odyssey Expo logo in any promotion, newsletter, etc. must first have written permission from the Exhibit Coordinator and may be asked to provide a sample of its intended use.

GIVEAWAYS

Novelty giveaways, souvenirs and drawing awards must be submitted to the IADD/FSEA for review and approval no

later than 30 days prior to the show. The IADD/FSEA encourages prudent use and distribution of giveaways.

AUXILIARY AIDS OR SERVICES

In compliance with the Americans with Disabilities Act, the IADD/FSEA wishes to ensure that no individual with a disability is excluded, denied services or otherwise treated differently from other individuals. Each exhibitor shall be responsible for compliance within its exhibit space, including the provision of auxiliary aids and services as needed.

MUSIC AND VISUAL EFFECTS

Exhibitors' use of music and audiovisual devices with sound are permitted only in those locations and at such decibel density as not to interfere with the activities of other exhibitors. IAEE states that music should not exceed 85 decibels.

License agreements covering recorded music are the responsibility of the exhibitor, and each exhibitor is required to indemnify and hold the IADD/FSEA harmless from any liability arising out of the use of copyrighted music.

HAZARDOUS WASTE DISPOSAL

Hazardous waste is any material being stored, recycled or thrown away that could cause injury or death, or pollutes the air, water or land. Exhibitors who generate hazardous waste material must conform to requirements of all regulatory agencies having jurisdiction in the location of hazardous waste and make appropriate arrangements for proper disposal thereof.

PHOTOGRAPHY

Picture taking other than by official photographers is subject to approval by Show Management or the Exhibit Coordinator, including during set-up and dismantling. Only the exhibitor may grant permission to have their exhibit and/or products photographed.

SMOKING

The Odyssey Expo program is designated as a non-smoking meeting. Smoking is prohibited in IADD/FSEA meeting rooms, the exhibit hall and social functions.

LABOR/SAFETY/FIRE CODES

The exhibitor is responsible for knowledge of and compliance with all union/non-union requirements and fire and safety codes established by the Cobb Galleria Centre. Booth decorations must be flameproofed. Electrical wiring must conform with all federal, state and municipal government requirements and to the National Electric Code Safety Rules. If inspection indicates that an exhibitor has neglected to comply with these regulations, or otherwise incurs fire hazards, the right is reserved to cancel at exhibitor's expense all or such part of the exhibit as may be irregular.

LIABILITY

Each exhibitor assumes the entire responsibility and liability for losses, damages and claims arising out of injury or damages to exhibitor's displays, equipment and other property brought upon the premises of Cobb Galleria Centre, and shall indemnify and hold harmless the IADD/FSEA, the Cobb Galleria Centre and any authorized representative, agent or employee of the forgoing of any and all losses, damages and claims from any cause whatsoever by reason of the use of occupancy of the exhibit space by the exhibitor or his assigns. The exhibitor must surrender space occupied by him in the same condition as it was in the commencement of occupation. If the exhibitor's materials fail to arrive, the exhibitor is nevertheless responsible for all amounts due hereunder. In holding the Odyssey Expo program, the Associations do not act as the agent of the exhibitor, the Cobb Galleria Centre, the Exhibit Coordinator, the Exhibition Services Company, or any other party providing services to the program. Claims against any other party other than the Associations are to be submitted directly to the party involved.

INSURANCE

Exhibitors must make provision for safeguarding their materials, equipment and displays at all times. Exhibitors are required to carry special insurance to cover exhibit materials against loss or damage, and public liability insurance against injury to the persons and property of others. As a courtesy to exhibitors, perimeter security for the exhibit hall will be furnished during installation, dismantling and show days. This is not to

be interpreted as a guarantee against loss or theft of any kind.

USE OF EXHIBITOR APPOINTED CONTRACTORS

Exhibitors choosing to use labor services other than those provided through the Exhibition Services Contractor must notify the Exhibit Coordinator at least 30 days in advance of the first day of move-in.

SOCIAL FUNCTIONS

Only exhibiting companies may request the use of function rooms in the Cobb Galleria Centre. Breakfast functions must end at least 15 minutes prior to the opening of the official program each day. All uses of meeting rooms in the Cobb Galleria Centre must be approved by the IADD/FSEA. Hospitality rooms may not open prior to 5:00 pm in the evening on evenings when the IADD/FSEA does not have scheduled events. Any function not approved by the IADD/FSEA which would compete for attendee's time, either during the hours of the exhibition hall or other association programs, is strictly prohibited.

TERMINATION OF RIGHT TO EXHIBIT

As the organizer, the IADD/FSEA reserves the right to terminate without notice an exhibitor's right to exhibit if an exhibitor or any of his representatives fails to observe the conditions of this contract, or in the opinion of the IADD/FSEA or its Exhibit Coordinator, conducts themselves in an unethical manner. Such exhibitors will be dismissed without refund.

ODYSSEY EXPO PROGRAM CANCELLATION

If any part of the Exhibit Hall is damaged, or if circumstances make it impossible for the IADD/FSEA to permit an exhibitor to occupy the space assigned during a portion or entirety of the period covered, the exhibitor will be charged for space only for the period space was or could have been occupied by the exhibitor, and the IADD/FSEA releases any and all claims for damages caused by such action.

GENERAL

All matters and questions not covered by these regulations are subject to the decision of the IADD/FSEA and the Exhibit Coordinator. These regulations may be amended at any time by the IADD/FSEA and all amendments that may be so made shall be equally binding on all parties affected by them, as are the original regulations.
