ODYSSEY OVERVIEW

DIECUTTING & DIEMAKING FOCUSED

Odyssey Expo 2025 will combine problem solving for a wide array of hard-to-cut materials with advancements in converting, folding cartons and corrugated and key developments in foil stamping, embossing and finishing.

UNIQUE & INDUSTRY SPECIFIC

Creative educational sessions go beyond mere theory and talking heads seen at other seminars. Participants receive up-close training in show-and-tell clinics that are enhanced by hands-on diemaking, diecutting, foil stamping/embossing and specialty effects demonstrations.

SATISFIED ATTENDEES & EXHIBITORS

"Odyssey Expo 2023 was a hit!"

"We consider our participation in Odyssey a success."

"Long time coming and so worth the wait!"

"This was without a doubt one of the best quality attended shows I have ever been in."

"The exhibition was a great success."

"We are really happy with the Odyssey Show."

"It was great to share all the exciting solutions we are here to supply the industry with!"

"Three successful and exciting days at the Odyssey Expo."

"The number of visitors exceeded all our expectations."

"Great to catch up with so many at the IADD Odyssey."

"We enjoyed many inspiring conversations."

"The perfect opportunity to meet new customers and collect their requests and points of view."

"I feel like I'm making a difference in the industry."

"Always a source of research and innovation."

"Our industry is alive and well."

"A great week at the IADD."

ATLANTA OPPORTUNITY

THE IDEAL LOCATION

Cobb Galleria Centre is a non-union facility located in Northwest Atlanta, less than a one-day drive for 72 million people! Nestled among **many diecutting and diemaking hotbeds** close by, the right-to-choose facility provides exhibitors with the flexibility to transport and set up your booths without excessive or costly union intervention. It also provides great local dining and entertainment within 5 minutes, is only 10 minutes from downtown Atlanta and from the city's fashionable Buckhead community and 20 minutes from **Hartsfield-Jackson Atlanta International Airport**. Attendees will love that they are within striking distance of many Atlanta destinations, from world-class museums and sports venues to popular entertainment spots and fascinating historic landmarks.

Cobb Galleria connects directly to the 522-room, four-star, four-diamond **Renaissance Atlanta Waverly Hotel**. Shopping and dining variety are as convenient as the Cobb's on-site specialty mall; **Cumberland Mall**, directly across the street and accessible by a pedestrian bridge; and **The Battery Atlanta**, connected via pedestrian bridge.

BOOTH & TECHSHOP DETAILS

EXHIBIT BOOTHS

Present your products and services in one (or several) of the 120+ exhibit booths. The main exhibit hall, with an expansive 72,000 square feet (6,689 square meters) of space, will provide ample room for the exhibit booths and the operational diecutting, diemaking, foil and special effects Techshop.™ The Odyssey Expo will provide exhibitors an excellent opportunity to market to targeted, dedicated and focused individuals involved in all phases of diecutting, diemaking, foiling, embossing and bindery. Each booth space is 10 feet deep by 10 feet wide (3m x 3m), 100 square feet (9 square meters). Each exhibit booth will include the rental space, 8 feet (2.4m) high draped backdrop, 3 feet (.9m) side rails and draping and a company sign which is 7 inches x 44 inches (177mm x 1,117mm) including the company name and booth number.

ALWAYS IN DEMAND - YOUR EQUIPMENT IN THE TECHSHOP

Odyssey Expo offers an alternative choice to showcase your equipment in the Techshop,™ rather than your company booth(s). Companies who have purchased at least one standard booth space also may rent space in the Techshop for equipment placement. Exhibitors are responsible for all associated costs, such as drayage, installation, waste disposal, electrical, air and other operating and maintenance expenses. Access to equipment will be ample, but will be regulated by Odyssey Expo. Additional rules and regulations may apply. Since space is limited, Odyssey Expo reserves the right to approve or decline space applications.

A VARIETY OF CUSTOMER OPPORTUNITIES

The Odyssey Expo appeals to a wide segment of the diecutting converting, foil stamping and specialty effects markets. One set of programs will focus on cutting materials such as gaskets, plastics, films, magnetics, abrasives, pressure sensitive and paper, including thick and hard materials. Another two sets of programs will cover cutting edge topics in the traditional folding carton and corrugated areas, which are a sure draw for these segments of the industry. Additional programs will address foil stamping and embossing, other specialty effects, hard anvil rotary, into versus onto cutting, alternative methods of cutting and trimming, heat assisted diecutting, business management and more. Marketing for the Odyssey Expo will reflect this expanded scope and will reach out to new attendees who are your potential new customers.

HOW TO RESERVE BOOTH OR TECHSHOP SPACE

Complete the attached Exhibit Application Form. Visit the Odyssey website at www.OdysseyExpo.org for more information and Exhibitor Rules & Regulations. You will receive confirmation of booth and Techshop assignments once the space has been accepted in accordance with the Exhibitor Rules & Regulations. Initial space deposits are due within 7 days of application. All exhibitors will receive copies of the Odyssey Expo Exhibitor Newsletters to keep them informed of the latest developments in substantive programming, marketing plans, Techshop, exhibit hall operations, etc.
